**Position(s):** One (1) position of an Economics Expert in Information and Communication Technologies, with focus on Cybersecurity, Internet of Things or Circular Economy

**Projects:**

- IoT as an enabler of the Circular Economy circularity-by-design as an enabler for IoT – CE-IoT, a Framework for Pairing Circular Economy and IoT: funded under Horizon H2020-MSCA-RISE-2017
- Intelligence-Driven Urban Internet-of-Things Ecosystems for Circular, SAfe and Inclusive Smart CITIES – Ideal-CITIES, funded under Horizon 2020, H2020-MSCA-RISE-2017

**Desired starting date:** February 1, 2019

**Duration:** 12 months on a full-time or part-time basis with possibility of extension

**Location:** Heraklion, Crete, Greece

**Opening date:** 13/12/2018

**Closing date:** 28/12/2018

**Ref.:** “CE-IoT-IDEAL-CITIES-01-Dec2018”

**Description**

The candidate will participate in the R&D and administrative activities of FORTH in the context of the projects: “IoT as an enabler of the Circular Economy circularity-by-design as an enabler for IoT – CE-IoT, a Framework for Pairing Circular Economy and IoT: funded under Horizon H2020-MSCA-RISE-2017”

and “Intelligence-Driven Urban Internet-of-Things Ecosystems for Circular, SAfe and InCLusive Smart CITIES – Ideal-CITIES, funded under Horizon 2020, H2020-MSCA-RISE-2017”.

We seek an experienced member for our team, with a background in Economics and experience in EU organizations, with focus on Information Technology. Experience in cybersecurity, Internet of Things or Circular Economy would be advantageous.

As such, prior experience in Economics, ability to work in an Information Technology and cybersecurity-focused team, ability to communicate with people and experience with a variety of financial tools and skills, as well as work experience in international, multicultural and multilingual environments, are all very important aspects for the position offered.

**Required qualifications:**

- University degree in Economics or related field;
- MSc in Business Economics, Finance or related fields;
- Past experience in European, multicultural and multilingual environments, with Information Technology focus, preferably in the core domains of the projects;
- Willingness and ability to work cooperatively within a team, to learn, and to adapt to the projects;
- Excellent knowledge of English.

**Desired qualifications:**

- Professional experience in International organizations or EU bodies;
- Experience in European cybersecurity affairs;
- Experience with certification and/or quality assurance systems;
- Skilled in financial tools; SAP, ERP, SI2, ABAC;
- Experience in organizing conferences, summers schools and other academic events in Information Technology, preferably in Cybersecurity.
- Very good knowledge of German or French.

**Application Submission**

Interested candidates can submit their applications via <http://www.ics.forth.gr/jobs/en/> using the link “[Apply for the position](#)” under the announcement. Applications must include:

- Detailed CV, including qualifications and interests in the above areas, and proof thereof;
- Scanned copies of academic titles;
- Detailed presentation of prior work, studies and/or publications, demonstrating knowledge of desired skills (e.g. experience on specific programming languages and hardware platforms)
- Contact information of 2 or 3 references;

**Contact Information:**

- For information and questions about the advertised position the activity of the group or the Institute, please contact Dr. Sotiris Ioannidis ([sotiris@ics.forth.gr](mailto:sotiris@ics.forth.gr)).

**Selection Announcement**

The result of the selection will be announced on the website of ICS-FORTH. Candidates have the right to appeal the selection decision, by addressing their written objection to the ICS secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICS-FORTH in line

with the Hellenic Data Protection Authority. Access to personal data of co-candidates shall be limited to personal data (and relevant data) and supporting documents which have been the basis of the evaluation of the candidates for the specific post(s). Prior to the announcement of the personal data and/or documents of the co-candidates to the applicant, FORTH will inform the data subjects in an appropriate way.

FORTH is compliant with all legal procedures for the processing of personal data as defined by the **Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data**.

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or in national law.

We inform you that under the **Regulation EU/2016/679** you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.

We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at [dpo@admin.forth.gr](mailto:dpo@admin.forth.gr).

You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
