in the Institute of Computer Science (ICS)
Foundation for Research and Technology – Hellas (FORTH)**

Position(s): One (1) position for a Research Associate

Projects:

- “I-BIDaaS Industrial-Driven Big Data as a Self-Service Solution”, funded under H2020-ICT-2016-2017
- “C4IIoT: Cyber security 4.0: protecting the Industrial Internet Of Things”, funded under H2020-SU-ICT-2018-20 and
- “COLLABS: A COMprehensive cyber-intelligence framework for resilient coLLABorative manufacturing Systems”, funded under H2020-ICT-2018-20

Desired starting date: July 1, 2020

Duration: 6 months with possibility of extension

Location: Heraklion, Crete, Greece

Opening date: 13/05/2020

Closing date: 28/05/2020

Ref.: “IBIDAAS-C4IIoT-COLLABS-01-May-2020”

Description

We seek an experienced member for our team, a Research Associate, with strong background in European Research Projects. The candidate will participate in the R&D activities of FORTH in the context of the projects “I-BIDaaS Industrial-Driven Big Data as a Self-Service Solution”, funded under H2020-ICT-2016-2017, “C4IIoT: Cyber security 4.0: protecting the Industrial Internet of Things”, funded under H2020-SU-ICT-2018-20 and “COLLABS: A COmprehensive cyber-intelligence framework for resilient coLLABorative manufacturing Systems”, funded under H2020-ICT-2018-20.

In the context of the above-mentioned projects, FORTH, along with the projects’ partners, will study and develop specialized communication protocols for emerging, ICT-enabled systems.

- Required qualifications:
 - PhD Degree in Electrical and Computer Engineering with specialization in network congestion management.
 - BSc in Electrical and Computer Engineering
 - Experience in network design/development and strong background in wireless, 6G and emerging technologies, as shown via publications and projects.
 - Willingness and ability to work cooperatively within a team, to learn, and to adapt to the projects
 - Excellent knowledge of English

- Desired qualifications:
 - Experience in multi-paradigm system simulation or emulation platforms.
 - Knowledge of smart buildings empowered by ICT.
 - Good knowledge of general purpose programming languages and frameworks.

Application Submission

Interested candidates can submit their applications via <http://www.ics.forth.gr/jobs/en/> using the link “[Apply for the position](#)” under the announcement. Applications must include:

- Detailed CV, including qualifications and interests in the above areas, and proof thereof;
- Scanned copies of academic titles;
- Detailed presentation of prior work, studies and/or publications, demonstrating knowledge of desired skills (e.g. experience on specific programming languages and hardware platforms)
- Contact information for 2 or 3 references;

Contact Information:

- For information and questions about the advertised position the activity of the group or the Institute, please contact Dr. Sotiris Ioannidis (sotiris@ics.forth.gr).

Selection Announcement

The result of the selection will be announced on the website of ICS-FORTH. Candidates have the right to appeal the selection decision, by addressing their written objection to the ICS secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICS-FORTH in line with the Hellenic Data Protection Authority. Access to personal data of co-candidates shall be limited to personal data (and relevant data) and supporting documents which have been the basis of the evaluation of the candidates for the specific post(s). Prior to the announcement of the personal data and/or documents of the co-candidates to the applicant, FORTH will inform the data subjects in an appropriate way.

FORTH is compliant with all legal procedures for the processing of personal data as defined by the Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data.

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or in national law.

We inform you that under the Regulation EU/2016/679 you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.

We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr.

You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
