Ηράκλειο, 12-11-2020

**Call for expression of interest for two (2) positions, one (1) MSc holder in Computer Science and one (1) BSc holder in Applied Informatics and Multimedia, in the Institute of Computer Science (ICS) Foundation for Research and Technology – Hellas (FORTH)**

**Position(s):**

Position 1: One (1) MSc holder in Computer Science

Position 2: One (1) BSc holder in Applied Informatics and Multimedia

**Project:** “COLlaborative Platform for trAnsmedia storytelling and cross channel distribution of EUROPEan sport events” (COPA EUROPE) (Grant Agreement number: 957059), funded under Horizon 2020, ICT-44-2020 - Next Generation Media

**Desired starting date:** January 1st, 2021

**Duration:** 12 months on a full-time basis with possibility of extension

**Location:** Heraklion, Crete, Greece

**Opening date:** 12/11/2020

**Closing date:** 27/11/2020

Ref.: “COPA EUROPE-NOV20”

**Description**

We seek two experienced members for our team, one at the postgraduate and one at the graduate level, with a background in Computer Science. The candidates will participate in the R&D activities of FORTH in the context of the project “COLlaborative Platform for trAnsmedia storytelling and cross channel distribution of EUROPEan sport events” (COPA EUROPE), funded under Horizon 2020, ICT-44-2020 - Next Generation Media.

COPA EUROPE is coordinated by Worldline Iberia and FORTH-ICS is a member of the project consortium. The project aims to address the exploding demand for non-linear sports consumption (live and eSports) by

leveraging Over The Top streaming and combining it with new set of media technologies that will democratise the consumer experience, enable cost-sensitive live video from anywhere, and personalize the distribution to change the experience of each viewer individually. COPA EUROPE will deliver a cloud-based infrastructure for harvesting, accommodating, transmitting and distributing digital media with regard to sport and competitive events, including the infrastructure needed to allow content creators and producers of live coverage to react to live outcomes, via innovative workflows.

### **Position 1: MSc holder in Computer Science**

Required qualifications:

- MSc degree in Computer Science
- Excellent knowledge of C#, HTML, CSS, JavaScript, AngularJS, Laravel, PHP
- Experience in the design, development and evaluation of software applications for ambient intelligence environments
- Rich experience in user requirements elicitation
- Thorough knowledge of human-centred design and design for all principles and their implementation
- Excellent knowledge of English
- Physical presence at FORTH, Heraklion, Crete for the duration of the position

Desired qualifications:

- Previous experience with EU- and/or national- funded RTD projects
- Good record of Journal/Conference publications in related fields

### **Position 2: BSc holder in Applied Informatics and Multimedia**

Required qualifications:

- BSc degree or equivalent in Applied Informatics and Multimedia
- Excellent knowledge of Windows and Linux operating systems
- At least five years' experience in the integration, maintenance and debugging of technical infrastructure and software applications for ambient intelligence environments
- Experience in the installation and maintenance of computer systems
- Experience in remote technical support of computer systems and services
- Experience in technical support of scientific teams
- Good knowledge of English
- Physical presence at FORTH, Heraklion, Crete for the duration of the position

Desired qualifications:

- Previous experience with EU- and/or national- funded RTD projects

### **Application Submission**

Interested candidates can submit their applications via <http://www.ics.forth.gr/jobs/en/> using the link "Apply for the position" under the announcement. Applications must include:

- Detailed CV, including qualifications and interests in the above areas;
- Scanned copies of academic titles;
- Detailed presentation of prior work, studies and/or publications, references etc. demonstrating knowledge of desired skills (e.g. experience on specific programming languages and hardware platforms).

**Contact Information:**

For information and questions about the advertised position the activity of the group or the Institute, please contact Mrs Kassiani Balafa at [balafa@ics.forth.gr](mailto:balafa@ics.forth.gr) .

**Selection Announcement**

The result of the selection will be announced on the website of ICS-FORTH. Candidates have the right to appeal the selection decision, by addressing their written objection to the ICS secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates' scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICS-FORTH in line with the Hellenic Data Protection Authority. Access to personal data of co-candidates shall be limited to personal data (and relevant data) and supporting documents which have been the basis of the evaluation of the candidates for the specific post(s). Prior to the announcement of the personal data and/or documents of the co-candidates to the applicant, FORTH will inform the data subjects in an appropriate way.

FORTH is compliant with all legal procedures for the processing of personal data as defined by the **Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data**.

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or in national law.

We inform you that under the **Regulation EU/2016/679** you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.

We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at [dpo@admin.forth.gr](mailto:dpo@admin.forth.gr).

You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
