Description

- We seek an experienced member for our team, a Senior Research Collaborator (full-time), with strong background in European Research Projects. The candidate will participate in activities of FORTH in the area of cybersecurity and mobile forensics in the context of the projects “FORMOBILE”, “CC-DRIVER”, “CyberSPACE”, and “CyberSec4Europe”.

- **Required qualifications:**

- PhD in Computer Science with specialization in computer security or digital forensics
 - MSc in Computer Science or similar discipline
 - BSc in Computer Science or similar discipline
 - Excellent knowledge of English
 - Strong Experience with European research projects
 - More than 15 years of research in the area of cybersecurity
 - Teaching experience (at least 14 years) in computer security or digital forensics
 - Organization of curriculum in mobile forensics
- **Desired qualifications:**
 - Proven research experience in computer and mobile forensics

Application Submission

Interested candidates can submit their applications via <http://www.ics.forth.gr/jobs/en/> using the link "[Apply for the position](#)" under the announcement. Applications must include:

- Detailed CV
- Scanned copies of academic titles
- Detailed presentation of prior work, studies and/or publications, demonstrating knowledge of desired skills (e.g. experience on specific programming languages and hardware platforms)
- Contact information for 2 or 3 references

Location of the position

FORTH, Heraklion, Crete, GR 70013. The candidate should be able to be physically present at FORTH for the duration of the position.

Contact Information:

- For information and questions regarding the application and selection procedure, please contact Mrs Meltini Christodoulaki (meltini@ics.forth.gr).

Selection Announcement

The result of the selection will be announced on the website of ICS-FORTH. Candidates have the right to appeal the selection decision, by addressing their written objection to the ICS secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates' scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICS-FORTH in line with the Hellenic Data Protection Authority. Access to personal data of co-candidates shall be limited to personal data (and relevant data) and supporting documents which have been the basis of the evaluation of the candidates for the specific post(s). Prior to the announcement of the personal data and/or documents of the co-candidates to the applicant, FORTH will inform the data subjects in an appropriate way.

FORTH is compliant with all legal procedures for the processing of personal data as defined by the **Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data.**

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights as defined in the Regulation EU/2016/679 and/or in national law.

We inform you that under the **Regulation EU/2016/679** you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.

We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr.

You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
