**Call for expression of interest for one (1) position of Computer Scientist or Engineer
in the Institute of Computer Science (ICS)
Foundation for Research and Technology – Hellas (FORTH)**

Position : One (1) Computer Scientist or Engineer, BSc or MSc holder, for the PERCEIVE HORIZON 2021 project

Project: “PERCEIVE – Perceptive Enhanced Realities of Colored collEctions through AI and Virtual Experiences” (Project HORIZON-CL2-2021-HERITAGE-01-04-101061157-PERCEIVE), funded under HORIZON-CL2-2021-HERITAGE-01.

Desired starting date: February 1st, 2023

Duration: 4 months with possibility of extension

Location: Heraklion, Crete, Greece

Opening date: 22/12/2022

Closing date: 02/01/2023

Ref. : PERCEIVE-Dec2022

Description

We seek one Computer Scientist or Engineer (BSc or Msc holder) in Machine Learning with background in RTD projects.

The candidates will participate in the R&D activities of FORTH-ICS in the context of HORIZON 2021 project “PERCEIVE – Perceptive Enhanced Realities of Colored collEctions through AI and Virtual Experiences” (HORIZON-CL2-2021-HERITAGE-01-04-101061157-PERCEIVE), funded under HORIZON-CL2-2021-HERITAGE-01, and will work on Machine Learning and Sensory data processing related aspects.

PERCEIVE aims at improving the perception, preservation, curation, exhibition, understanding and access of colored Cultural Heritage collections. It aims at developing a reliable way to Study, Reconstruct, Render, Remap, Exhibit and Re-appropriate them.

The candidates will contribute in tasks regarding data augmentation, as well as modeling and training of NN for color restoration.

Required qualifications:

- B.Sc. degree in Computer Science or related Engineering field
- Demonstrated experience with Machine Learning or other AI techniques
- Programming languages: C++ and/or python
- Willingness and ability to work in a team, to learn, and to take initiatives
- Communication skills

Desired qualifications:

- M.Sc. degree or Graduate studies in Computer Science or related Engineering field
- Experience with libraries and development tools, such as opencv, ROS, scipy, Matlab or equivalent
- Experience with Sensory (Visual) data processing
- Hands-on experience with deep learning techniques (deep neural networks)
- Two (2) reference letters

Application Submission

Interested candidates can submit their applications via <http://www.ics.forth.gr/jobs/en/> using the link “Apply for the position” under the announcement. Applications must include:

- Detailed CV, including qualifications and interests in the above areas, and proof thereof;
- Scanned copies of academic titles;
- Detailed presentation of prior work, studies and/or publications, references etc. demonstrating knowledge of desired skills (e.g. experience on specific programming languages and hardware platforms).

The candidates may be invited for interview (onsite or remotely) if deemed necessary.

Contact Information:

For information and questions about the advertised position, the activity of the group or the Institute, please contact Prof. Panos Trahanias (trahania@ics.forth.gr).

Selection Announcement

The result of the selection will be announced on the website of ICS-FORTH. Candidates have the right to appeal the selection decision, by addressing their written objection to the ICS secretariat within five

(5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates' scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICS FORTH in line with the Hellenic Data Protection Authority. Access to personal data of co-candidates shall be limited to personal data (and relevant data) and supporting documents which have been the basis of the evaluation of the candidates for the specific post(s). Prior to the announcement of the personal data and/or documents of the co-candidates to the applicant, FORTH will inform the data subjects in an appropriate way.

Disclaimer

FORTH is compliant with all legal procedures for the processing of personal data as defined by the **Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data**.

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law. FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one's legitimate legal rights' as defined in the Regulation EU/2016/679 and/or in national law. We inform you that under the **Regulation EU/2016/679** you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.

We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr.

You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
