Desired starting date: January 1st, 2024
Duration: 6 months
Location: Heraklion, Crete, Greece
Opening date: 20/11/2023
Closing date: 05/12/2023
Ref.: “CYBERUNITY -02-Nov-2023
Description
We seek an experienced member for our team, a Project Manager Assistant, with a background and experience in EU organizations and European research projects, with focus on Information Technology. The candidate should be able to organize work teams, track work progress conducted in the context of the project, promote project results, conduct financial reporting and assist in exploiting project outcomes. Experience in cybersecurity, Internet of Things or Circular Economy would be advantageous.

The candidate will participate in the R&D activities of FORTH in the context of the project “CYBERUNITY: Community for Integrating and Opening Cyber Range Infrastructures that Build an Interoperable CrossDomain and Cross-Sector Cyber Range Federation, funded under DIGITAL- ECCC-2022-CYBER-03”.

The candidate will participate in all aspects of the project with focus to Project Management, including financial and personnel planning, communication with EU representatives (when needed), organization of outreach events and all dissemination activities of the project.

• **Required qualifications:**
  - MSc degree in Business Economics and Finance;
  - BSc degree in Economics or related field;
  - More than 4 years of Experience with European Research Projects;
  - Experience in Financial Reporting;
  - Past experience in European environments with Information Technology focus;
  - Experience in organizing conferences, summer schools and other academic events;
  - Willingness and ability to work cooperatively within a team, to learn, and to adapt to the projects;
  - Excellent knowledge of English;

• **Desired qualifications:**
  - Knowledge of and/or experience in and/or strong interest to learn one or more of the following:
    - Professional experience in international organisations or EU bodies;
    - Experience in European cybersecurity affairs;
    - Experience with certification and/or quality assurance systems;
    - Skilled in financial tools SAP, ERP

Application Submission
Interested candidates can submit their applications via [http://www.ics.forth.gr/jobs/en/](http://www.ics.forth.gr/jobs/en/) using the link “Apply for the position” under the announcement. Applications must include:

- Detailed CV, including qualifications and interests in the above areas, and proof thereof;
- Scanned copies of academic titles;
- Detailed presentation of prior work, studies and/or publications, demonstrating knowledge of desired skills (e.g. experience on specific programming languages and hardware platforms);
- Contact information for 2 or 3 references;

Contact Information:
- For information and questions about the advertised position and the activity of the group or the Institute, please contact Prof. Sotiris Ioannidis ([sotiris@ics.forth.gr](mailto:sotiris@ics.forth.gr)).
Selection Announcement

The result of the selection will be announced on the website of ICS-FORTH. Candidates have the right to appeal the selection decision, by addressing their written objection to the ICS secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICS-FORTH in line with the Hellenic Data Protection Authority. Access to personal data of co-candidates shall be limited to personal data (and relevant data) and supporting documents which have been the basis of the evaluation of the candidates for the specific post(s). Prior to the announcement of the personal data and/or documents of the co-candidates to the applicant, FORTH will inform the data subjects in an appropriate way.

FORTH is compliant with all legal procedures for the processing of personal data as defined by the Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data.

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one’s legitimate legal rights’ as defined in the Regulation EU/2016/679 and/or in national law.

We inform you that under the Regulation EU/2016/679 you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.

We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr.

You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
