Call for expression of interest for a position of a PostDoc Researcher, expert in development of predictive AI models in the Institute of Computer Science (ICS) Foundation for Research and Technology – Hellas (FORTH)

Position(s): One (1) position of PostDoc Researcher, expert in development of predictive AI models

Project: International Clinical Validation of Radiomics Artificial Intelligence for Breast Cancer Treatment Planning (RadioVal) GA 101057699, funded under Horizon 2020, HORIZON-HLTH-2021-DISEASE-04-04 and An Artificial Intelligence (AI)-based Decision Support System (DSS) for automated detection and characterization of lung nodules on low-dose CT scans (Thorax)

Desired starting date: January 1, 2024

Duration: 6 months with possibility of extension

Location: Heraklion, Crete, Greece

Opening date: 21-11-2023

Closing date: 01-12-2023

Ref.: “ICS-2131”
Description
The candidate will participate in the R&D work of FORTH within the RadioVal and Thorax project. We are looking for a Post Doc Researcher to be part of the team designing, implementing and testing a number of AI models regarding Breast and Lung Cancer diagnosis and prognosis, by utilizing big data, deep learning and other machine-learning models. The candidate will design and implement deep learning and computer vision models based on heterogeneous and multi-scale health data with emphasis on imaging data.

Required qualifications:
• PhD in Computer Science, specialized in the field of Artificial Intelligence and computer vision/image processing
• Excellent knowledge of English
• Completed military obligations (for Greek citizen male candidates)

Desired qualifications:
• Experience with the design and development of image processing and/or computer vision algorithms
• Proven professional experience in cancer imaging application development.
• Knowledge and experience with computer vision techniques
• Knowledge and experience with AI applications on cancer
• Experience with matlab and python scientific programming and deep learning frameworks
• Experience with National research projects or European grants

Application Submission
Interested candidates can submit their applications via http://www.ics.forth.gr/jobs/en/ using the link “Apply for the position” under the announcement. Applications must include:
• Detailed CV, including qualifications and interests in the above areas, and proof thereof;
• Scanned copies of academic titles;
• Detailed presentation of prior work, publications, references etc demonstrating research experience and knowledge of desired skills

Contact Information:
For information and questions about the advertised position the activity of the group or the Institute, please contact Theano Apostolidi (apost@ics.forth.gr).

Selection Announcement
The result of the selection will be announced on the website of ICS-FORTH. Candidates have the right to appeal the selection decision, by addressing their written objection to the ICS secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates’ results). All the above information related to the selection procedure will be available at the secretariat of ICS-FORTH in line with the Hellenic Data Protection Authority. Access to personal data of co-candidates shall be limited to personal data (and relevant data) and supporting documents which have been the basis of the evaluation of the candidates for the specific post(s). Prior to the announcement of the personal data and/or documents of the co-candidates to the applicant, FORTH will inform the data subjects in an appropriate way.
GDPR Disclaimer

FORTH is compliant with all legal procedures for the processing of personal data as defined by the Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data.

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one’s legitimate legal rights’ as defined in the Regulation EU/2016/679 and/or in national law.

We inform you that under the Regulation EU/2016/679 you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.

We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr.

You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
