Call for expression of interest for one (1) position of an R&D Engineer
in the Institute of Computer Science (ICS)
Foundation for Research and Technology – Hellas (FORTH)

Position(s): One (1) position of an R&D Engineer

Desired starting date: April 1st, 2024
Duration: 6 months
Location: Heraklion, Crete, Greece
Opening date: 16/02/2024
Closing date: 26/02/2024
Ref.: “CONSOLE -04-FEB-2024”
Description
We seek an experienced member for our team, a R&D Engineer, with background in Linux and kernel programming along with experience on EU-funded projects. The candidate will participate in the Research & Development activities of FORTH in the context of the project "CONSOLE: Cybersecurity for Resilient Software Development, funded under DIGITAL- ECCC-2022-CYBER-03. The candidate will be involved in the development of a cybersecurity training solution. To this extent, prior experience in cyber-security and system programming are very important qualifications for the position offered.

- **Required qualifications:**
  - BSc in Electrical and/or Computer Engineering or related fields;
  - Integrated MSc or MSc in Computer Science and/or Engineering;
  - Experience in systems programming;
  - Willingness and ability to work cooperatively within a team, to learn, and to adapt to the projects;
  - Excellent knowledge of English;

- **Desired qualifications:**
  - Experience with European research projects;
  - Skilled in Java, C/C++, Python and cloud technologies;
  - Linux kernel programming including both kernel modules and device drivers, with knowledge of communication protocols;
  - Testing and troubleshooting skills in both software and hardware;
  - Knowledge of Linux administration, deployment and virtualization technologies;

Application Submission
Interested candidates can submit their applications via [http://www.ics.forth.gr/jobs/en/](http://www.ics.forth.gr/jobs/en/) using the link “Apply for the position” under the announcement. Applications must include:

- Detailed CV, including qualifications and interests in the above areas, and proof thereof;
- Scanned copies of academic titles;
- Detailed presentation of prior work, studies and/or publications, demonstrating knowledge of desired skills (e.g. experience on specific programming languages and hardware platforms);
- Contact information for 2 or 3 references;

Contact Information:

- For information and questions about the advertised position and the activity of the group or the Institute, please contact Prof. Sotiris Ioannidis (sotiris@ics.forth.gr).

Selection Announcement
The result of the selection will be announced on the website of ICS-FORTH. Candidates have the right to appeal the selection decision, by addressing their written objection to the ICS secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICS-FORTH in line with the Hellenic Data Protection Authority. Access to personal data of co-candidates shall be limited to personal data (and relevant data) and supporting documents which have been the basis of the evaluation of the candidates for the specific post(s). Prior to the announcement of the personal data and/or documents of the co-candidates to the applicant, FORTH will inform the data subjects in an appropriate way.
FORTH is compliant with all legal procedures for the processing of personal data as defined by the
Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal
data.

FORTH processes the personal data and relevant supporting documents that you have submitted to us.
Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such
data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further
process and reservation is required by law or for purposes of exercise, enforcement, prosecution of
certain one’s legitimate legal rights’ as defined in the Regulation EU/2016/679 and/or in national law.

We inform you that under the Regulation EU/2016/679 you have the rights to be informed about your
personal data, access to, rectification and erasure, restrictions of process and objection to as provided
by applicable regulation and national laws.

We acknowledge also to you, that you have the right to file a complaint to the national Data Protection
Authority. For any further information regarding exercise of your personal data protection rights, you
may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr.

You have the right to withdraw your application and consent for the processing of your personal data
at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting
documents submitted and shall delete the related personal data.
