Position(s): One (1) position for a Postgraduate Research Collaborator with Master in Computer Science or Computer Engineering

Projects: ATHENA (An exposition on THe forEign information mAnipulation and interference), GA 101132686 and C-SOC (Cretan Security Operations Center) GA 101145725.

Desired starting date: 01/10/2024

Duration: 3 months with possibility of extension

Location: Heraklion, Crete, Greece

Opening date: 05/07/2024

Closing date: 15/07/2024

Ref.: ICS2233_ATHENA - C-SOC

Description

• We seek one (1) student member to join our team, at the postgraduate level in the field of Computer Engineering/Science, preferably with background in Cyber Security, Operating Systems and Networks. The candidate will participate in the R&D activities of FORTH in the context of the projects “ATHENA” and “C-SOC”.
• **Required qualifications:**
  - Ph.D. candidate in Computer Science
  - M.S. degree in Computer Science
  - B.S. degree in Computer Science
  - Experience in systems programming
  - Experience in and proven performance in cyber security and capture the flag contests
  - Extensive experience in misinformation websites and their ad revenue
  - Participation in EU projects in the area of misinformation
  - Very good publication record in top venues
  - Very good experience in web crawling and associated data processing
  - Willingness and ability to work cooperatively within a team, to learn, and to adapt to the projects
  - Excellent knowledge of English
  - High Grade Point Average
  - Extensive experience in misinformation websites and their ad revenue
  - Physical appearance at the premises of FORTH

• **Desired qualifications:**
  - Experience in memory layout and memory allocators
  - Experience in working in leading industry firms in computer science
  - Knowledge of Linux administration and deployment
  - Knowledge of programming languages: C, C++, Java, Python, JavaScript, SQL.

**Application Submission**

Interested candidates can submit their applications via [http://www.ics.forth.gr/jobs/en/](http://www.ics.forth.gr/jobs/en/) using the link “Apply for the position” under the announcement. Applications must include:
- Detailed CV, including qualifications and interests in the above areas, and proof thereof;
- Scanned copies of academic titles;
- Detailed presentation of prior work, studies, and/or publications, demonstrating knowledge of desired skills (e.g. experience on specific programming languages and hardware platforms);
- Contact information for 2 or 3 references;

**Location of the position**

FORTH, Heraklion, Crete, GR 70013. The candidate should be able to be physically present at FORTH for the duration of the position.

**Contact Information:**

- For information and questions regarding the application and selection procedure, please contact Mrs. Eva Chrysaki (evachrysak@ics.forth.gr)

**Selection Announcement**

The result of the selection will be announced on the website of ICS-FORTH. Candidates have the right to appeal the selection decision, by addressing their written objection to the ICS secretariat within five (5) days since the results announcement on the web. They also have the right to access (a) the files of the candidates as well as (b) the table of candidates’ scores (ranking of candidates results). All the above information related to the selection procedure will be available at the secretariat of ICS-FORTH in line with the Hellenic Data Protection Authority. Access to personal data of co-candidates shall be limited to personal data (and relevant data) and supporting documents which have been the basis of the evaluation of the candidates for the specific post(s). Prior to the announcement of the personal data
and/or documents of the co-candidates to the applicant, FORTH will inform the data subjects in an appropriate way.

FORTH is compliant with all legal procedures for the processing of personal data as defined by the Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data.

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data up to the announcement of the final results of the call, unless further process and reservation is required by law or for purposes of exercise, enforcement, prosecution of certain one’s legitimate legal rights’ as defined in the Regulation EU/2016/679 and/or in national law.

We inform you that under the Regulation EU/2016/679 you have the rights to be informed about your personal data, access to, rectification and erasure, restrictions of process and objection to as provided by applicable regulation and national laws.

We acknowledge also to you, that you have the right to file a complaint to the national Data Protection Authority. For any further information regarding exercise of your personal data protection rights, you may contact the Data Protection Officer at FORTH at dpo@admin.forth.gr.

You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.
