16. Decision No 588/50-7/19-10-2026 of the Board of Directors (BoD) of FORTH approving the call of expression of interest for the one (1) temporary staff position (MSc student) through a Postgraduate Scholarship for the implementation of the project at/by FORTH.
17. The general policy and relevant decisions of FORTH BoD.

APPROVES this CALL FOR EXPRESSION OF INTEREST

For filling one (1) position of temporary staff under the project "Coastal communities for sustainable management of marine and dune habitats in N2000 network" (LIFE24-NAT-IT-LIFE terrAmare) at the Institute of Computer Science of FORTH.

Co-funded by the European Union
Life terrAmare

CALL FOR EXPRESSION OF INTEREST

POSITION

Under this Call, one (1) position of temporary staff is announced, to be employed at FORTH-ICS through the conclusion of a Reciprocal Scholarship Contract, within the LIFE24-NAT-IT-LIFE terrAmare project.

DESCRIPTION

The candidate will support the maintenance, improvement and testing of the LIFE terrAmare citizen science mobile application and its backend services, focusing on software integration, APIs, databases and observation data management.

Relevant project activities include:

- WP3 – Conservation Actions for Target Habitats: Maintenance and technical enhancement of digital tools developed under the completed Task T3.1.1, supporting the continued use and processing of citizen science data collected through Task T3.2 for ongoing project activities (D3.2).
- WP6 – Communication and Dissemination Activities: Contribution to Task T6.3 and Task T6.4 through technical support, updating project-related web content and preparing demonstrations and documentation, supporting D6.2 – Communication and Dissemination Plan and the continued maintenance of D6.3 – Dedicated Project Page.

REMUNERATION

The total cost of the contract is set at up to the amount of € 3.300.00, in accordance with the budgeted expenditure of the work to be assigned and the terms of the funding.

QUALIFICATIONS:

ESSENTIAL (MINIMUM REQUIRED) QUALIFICATIONS:

● Bachelor's degree in Computer Science, Informatics or a related discipline.
● Demonstrable basic practical experience in software development using Python or a comparable programming language.
● Familiarity with web services/APIs and databases, documented through academic work, software projects or employment.
● Good command of English (at least B2).

DESIRABLE QUALIFICATIONS:

● Practical experience with containerized application deployment or maintenance (e.g., Docker, Linux or comparable tools).
● Practical experience with software testing and integration, preferably for mobile, citizen science or environmental data applications.

EVALUATION CRITERIA

The selection of candidates is based on the scoring of submitted applications according to the following criteria:

Co-funded by the European Union
Life terrAmare

No.	Evaluation criterion	Maximum score	Means of proof
1	Bachelor's degree in Computer Science, Informatics or a related discipline *Bachelor's degree X 2*	**Up to 20 points:** Good (5.00–6.49): 10 points; Very Good (6.50–8.49): 20 points; Excellent (8.50–10.00): 20 points	Degree certificate and official transcript.
2	Practical experience developing software using Python or a comparable programming language	**Up to 20 points:** 1–2 months: 5 points; 3–5 months: 10 points; 6–11 months: 15 points; 12+ months: 20 points	Employer or academic supervisor certificate specifying tasks and dates
3	Familiarity with web services/APIs and databases (SQL or NoSQL)	**Up to 10 points:** 1–5 months: 5 points; 6+ months: 10 points	Project or thesis documentation, code repository, or employer/supervisor certificate.
4	English language proficiency (minimum B2)	**Up to 20 points** B2 = 10 C1 = 15 C2 = 20	Recognized language certificate or other officially accepted evidence.
5	Practical experience with deployment or maintenance of containerized applications	**Up to 10 points:** 1–5 months: 5 points; 6+ months: 10 points	Project documentation, code repository, or employer/supervisor certificate.
6	Practical experience with software testing and integration, including mobile, citizen science or environmental data applications	**Up to 20 points:** 1–5 months: 10 points; 6+ months: 20 points	Project/test documentation, code repository, or employer/supervisor certificate.
TOTAL		**100**	

Candidates who do not meet the required qualifications of the Call are excluded from the procedure. Applications of candidates with a total score lower than 60 will not be considered for the position.

APPLICATION SUBMISSION

Interested candidates can submit their applications via https://www.ics.forth.gr/jobs using the link "Apply for the position" under the announcement.

Should a candidate wish to amend an application—whether to correct information or provide missing supporting documents—they must resubmit the entire application, including all relevant supporting documents. This is permitted only until the application submission deadline. Only the most recent submission will be considered valid; any prior submissions will be disregarded. Applications submitted after the aforementioned date will be rejected as late and will not be evaluated. Incomplete applications will not be taken into consideration. Qualifications mentioned in either the application or

Co-funded by the European Union
Life terrAmare

the curriculum vitae, but not substantiated by the submission of the corresponding supporting documents, will not be taken into account and will not be awarded points for the final ranking of candidates.

APPLICATIONS MUST INCLUDE:

• A detailed Curriculum Vitae (CV)
• Clear photocopies of academic degrees and any other documentation substantiating the applicant's qualifications
• Letters of recommendation and/or certificates of prior employment substantiating the required experience, as well as any other documents or evidence the applicant wishes to include to verify the experience mentioned in their CV

CONTACT INFORMATION:

• For information and questions regarding the application and selection procedure, please contact Maria Moutsaki (moutsaki@ics.forth.gr).
• For information and questions regarding the announced call for this position, the activity of the group of the Institute, please contact Kostas Magoutis (magoutis@ics.forth.gr).

EVALUATION PROCEDURE

Applications are evaluated by an Evaluation Committee, which consists of three (3) regular and three (3) alternate members drawn from the staff of FORTH-ICS. One regular member must be the Principal Investigator of the Project. The Committee is appointed by decision of the BoD of FORTH. The composition of the Committee remains unchanged throughout the duration of the project. Failure to comply with the following requirement shall result in the **rejection** of the application, members of the Evaluation Committee must not have any kinship by blood or marriage up to the third degree with any candidate. In the event that a Committee member, other than the PI, is subject to such a conflict of interest, as aforementioned, (he/she) must notify the other Committee members in writing and request his/her own replacement, whereas, if the PI is subject to such a conflict of interest, the application shall be rejected. The Committee's recommendation is forwarded to the BoD of FORTH. The members of the Objections Committee are appointed in the same manner. The Committee's recommendation is forwarded to the Director of FORTH-ICS.

In the event of a tie, the candidate with the highest score in criterion 2 shall be selected. In the event of a continued tie, a public draw is carried out in the presence of the interested parties.

Should the selected candidate fail to appear to sign the contract, or resign while the contract is in force, the Contracting Authority may conclude a contract with the next candidate in the order of ranking, without any further procedure.

SELECTION ANNOUNCEMENT

The results of the evaluation are announced/posted on the website of FORTH-ICS (http://www.ics.forth.gr/jobs/el).

SUBMISSION OF OBJECTIONS

Candidates who submitted an application for a position under this Call have the right to:

(a) Submit an objection regarding their ranking within a period of five (5) calendar days from the day following the publication of the provisional results, by means of a written application to the secretariat of FORTH–ICS

Co-funded by the European Union
Life terrAmare

(b) Access the contents of their own individual application file, as well as the evaluation/scoring sheets of other candidates and the evaluation minutes/report, upon submission of a written request to FORTH–ICS within FIVE (5) calendar days from the day following the results' posting/announcement. Access to personal data of other candidates is limited to the personal data, relevant information, and supporting documents that formed the basis for the evaluation of candidates for the specific position(s) to be filled. Prior to the disclosure of any personal data and/or information concerning other candidates to the applicant, FORTH shall notify the respective data subjects in an appropriate manner depending on the circumstances.

Objection applications may be submitted in one of the following ways: in person, via an authorised representative; by email to **moutsaki@ics.forth.gr;** by post; or by courier to FORTH address: FORTH–ICS, N. Plastira 100, Vassilika Vouton, 70013 Heraklion, Crete Greece; In the case of submission by mail/postal or courier, the date of submission is the date shown on the postal or courier service postmark or stamp. If the deadline expires on/falls on a non-working day, it shall be extended to the next working day. Late objections will not be considered.

Objections are examined by the Objections Committee, which is appointed by decision of the BoD of FORTH. The Objection Committee consists of three (3) regular and three (3) alternate members drawn from the staff of FORTH–ICS. The members of the Objections Committee are not permitted to have kinship relations by blood or by affinity up to the third degree with any candidate. If no objections are submitted, the provisional results become final.

OTHER CONDITIONS

1. For applicants/candidates whose higher education qualifications (undergraduate and postgraduate) constitute a required or assessed formal qualification and were awarded by institutions abroad, these institutions must be included in the National Register of Recognised Foreign Higher Education Institutions and the National Register of Types of Recognised Qualifications of Foreign Higher Education Institutions, or a certificate from the Hellenic National Academic Recognition and Information Centre (DOATAP) must be submitted, in accordance with Law 4957/2022. Applicants/Candidates whose higher education qualifications (undergraduate and postgraduate) were awarded by foreign institutions included in the "List of Foreign Institutions awarding qualifications through franchise agreements with private entities in Greece" must submit a 'Certificate of Place of Study' issued and sent by the entity where the studies were actually conducted.
2. Throughout the duration of the Project, should it be necessary to replace individuals selected in accordance with this Call, such replacement shall be effected by selecting another candidate(s) based on their score/ranking – from the established from the ranking list (drawn up).
3. In the event that the funding allocated for the project is terminated for any reason, FORTH–ICS reserves the right to terminate the performance of the contract by means of a formal notice of termination and without incurring any liability for damages.
4. FORTH–ICS does not assume any obligation to enter into a contract and reserves the right to cancel or repeat the procedure without any obligation to pay compensation, any related claims by the candidates being expressly excluded.
5. Participation implies full acceptance of the terms of this Call for Expression of Interest.

GDPR DISCLAIMER

FORTH is compliant with all legal procedures for the processing of personal data as defined by the **Regulation EU/2016/679 on the protection of natural persons with regard to the processing of personal data.**

Co-funded by the European Union
Life terrAmare

FORTH processes the personal data and relevant supporting documents that you have submitted to us. Processing of that data is carried out exclusively for the needs and purposes of this specific call. Such data shall not be transmitted to or communicated to any third party unless required by law.

FORTH retains the above data until the announcement of the final results of the call, unless further retention is required by law or for the purposes of the establishment, exercise or defence of legal claims, as provided for in Regulation (EU) 2016/679 and/or the applicable national legislation.

Under Regulation (EU) 2016/679, you have the right to be informed about, access, rectify and erase your personal data, as well as the right to restriction of processing and the right to object, as provided for by the applicable EU and national legislation.

You also have the right to lodge a complaint with the Hellenic Data Protection Authority. For further information and for the exercise of your personal data protection rights, you may contact the Data Protection Officer of FORTH at dpo@admin.forth.gr.

You have the right to withdraw your application and consent for the processing of your personal data at any time. We inform you that, in this case, FORTH shall destroy such documents and/or supporting documents submitted and shall delete the related personal data.

This call is published on the website of FORTH - ICS [**http://www.ics.forth.gr/jobs/el**], on Diavgeia (ΔΙΑΥΓΕΙΑ - the Government's Transparency programme) and wherever else required by the funding body.
